## **MISSION OKALOOSA VITAL INFORMATION:**

- Consider this trip a week long commitment, students will not bring cars or return to their homes for any reason during the trip.
- A detailed packing list will be distributed at the work day and mailed home before the trip
- We are offering the floor to sleep on, if you want more than that you can bring it (for example cots or air mattresses) If you bring a queen size air mattress expect to become good buddies with someone who will share it with you, because floor space is limited.
- Make sure you come to the work day on June 2: 9:00-5:00
- Churches from around the panhandle area will be participating, so be prepared to make some new buddies.
- Some of you will be working with children, some with tools, some with both. But all of you will be serving with the attitude of Christ Jesus.
- **DO NOT BRING: ANYTHING WITH A SCREEN.** Seriously, we'll take it away, just don't bring it.
- Come with the same attitude as Christ Jesus who made himself nothing, taking the nature of a servant. (Phillipians 2)
- If you need scholarship LET US KNOW. Money will not stop you from going.
